## OUR JOURNEY THROUGH 2025

As 2025 draws to a close, we at Muyeni Resort & Safaris take a moment to reflect on an inspiring year of growth, discovery, and connection. This year marked a significant milestone in our journey as we expanded our horizons with the introduction of new and exciting travel experiences designed to bring travelers closer to the heart of Southern Africa.

In 2025, we proudly launched our 10, 14, and 21 day Southern Africa Combo Packages, offering travelers the choice between Classic, Premium, and Ultra-Luxury adventures across Zimbabwe, Zambia, Botswana, and South Africa. These immersive journeys were complemented by our new 4, 5, and 6 day Eco-Friendly Tours, curated for nature enthusiasts and cultural explorers who seek meaningful, sustainable travel experiences.

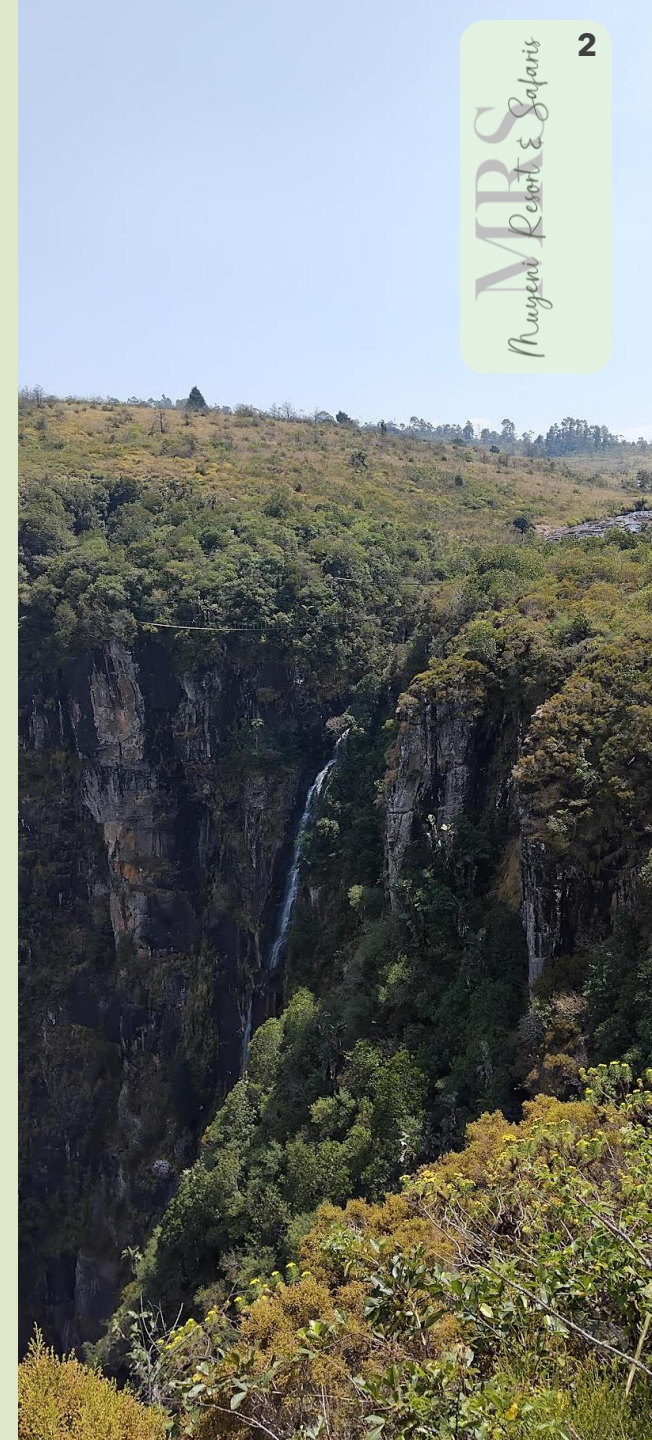

We also brought exploration closer to home through our Harare In-City Tours, giving guests a fresh perspective on Zimbabwe's capital, and unveiled Muyeni BnB, a warm and stylish haven for travelers seeking comfort, convenience, and authentic local hospitality.

Our Zimbabwe Safari Tours, now covering 12 national parks, and our regional expeditions into neighboring countries have connected countless travelers with Africa's untamed beauty and rich diversity. Each journey reminded us why we do what we do - to celebrate nature, culture, and the shared human spirit of adventure.

As we step into 2026, the excitement continues. We've already begun promoting our 2026 packages, and we invite our valued guests and new adventurers alike to book early and enjoy exclusive early-bird specials.

From all of us at Muyeni Resort & Safaris, thank you for being part of our story. Here's to another year of unforgettable journeys and meaningful encounters in the wild heart of Africa.
